## Food Safety Division

### Biosensor and Rapid Detection

Chair: **Hyun Jung Kim** (Korea Food Research Institute, Korea)

- D17-1** 10:00-10:35  
Recent Advances in Biodetection Techniques for Food Safety Applications  
**Paul Takhistov** (Rutgers, The State University of New Jersey, USA)
- D17-2** 10:35-11:10  
Impedimetric Immunosensor & Surface Nano  
**Changhoon Chai** (Kookmin University, Korea)
- D17-3** 11:20-11:55  
Ultra-rapid Detection of Foodborne Pathogenic Bacteria  
**Sangmin Jeon** (Pohang University of Science and Technology, Korea)
- D17-4** 11:55-12:30  
Novel Strategy of Enhancing Visible Detection Based on Aggregation of Nanoparticles  
**Seokwon Lim** (Hoseo University, Korea)
