

Tuesday, August 26

3rd Floor

International Symposium 2

Future Food Materials and Water

Chair: **Suyong Lee** (Sejong University, Korea)

IS2-1 10:00-10:35

Importance of Water in the Design of Foods for the Future

Yrjö H. Roos (University College Cork, Ireland)

IS2-2 10:35-11:10

An Insight to the Micro and Nano Structures: Future Food Materials and Water

Gutiérrez-López, G. F. (National Polytechnic Institute, Mexico)

Chair: **Yrjö H. Roos** (University College Cork, Ireland)

IS2-3 11:20-11:55

Water Behavior in Food Refrigeration

Toru Suzuki (Tokyo University of Marine Science and Technology, Japan)

IS2-4 11:55-12:30

Designing Food Structure for Controlled Property: Roles of Polysaccharides and Their Interactions

Tanaboon Sajjaanantakul (Kasetsart University, Thailand)
